ALL SORTS.

Why not have an evening session tonight?

Assemblyman Logan has returned from San Francisco.

The storm has broken and spring weather may be expected soon.

I. would be perfectly safe to offer a valuable prize for a valid reason against electing United States Senators by a direct vote of the people. There are no such reasons.—Silver State.

A number of Reno tax-payers came to the city yesterday on legislative business. They were dining by the Washoe delegation at Bryan's restaurant. As they went out, Mr. Bryan said "Come again gentlemen," and then the waiters to whom he tipped the wink got right to work counting the spoons.

Mrs. Dr. Winzell drew a good audience at Odd Fellows' Hall on Tuesday night to hear her lecture on Electric Therapeutics. All were very favorably impressed by the lady's forcible arguments regarding electricity as a cure for disease. It is probable, however, that she will be arrested in a few days if she does not take out a license.

THE WILSON-BRANNAN CONTEST.

It Takes Place This Evening at the Opera House.

The contest at the Opera House this evening is likely to prove hotter than was anticipated.

When Wilson publicly announced that he would put his man to sleep in ten rounds for \$300 aside, he was not in the best of conditions and assumed that Brannan was in the same fix. For a year past Brannan has been constantly in condition, ready to make a match at a moments notice. He has reduced his weight from 185 to 165 lbs and is hard as a rock. Wilson is fifteen pounds heavier, and notwithstanding his good record as a knocker out he is too fat to demolish Brannan as quickly as he proposed.

He got wind of Brannan's condition after he had made his proposition and sent a man down to ascertain the fact. When his man returned he reduced his bet to \$100, although Brannan was eager to have it \$300.

Betting is now even that Brannan, who is a phenomenal hitter, will stay the ten rounds. Brannan intends to rush the fight and do his best to rattle his antagonist early in the fight.

Arrangements are made for a big crowd. This is the first fight to come off in this city under the new ordinance licensing glove matches. The licence cost \$50.

Death of Geo. Tuffy.

News was received yesterday that ex-State Treasurer Tuffy had died at the residence of his son-in-law, Tiburcio Parrot, at St. Helena, Cal.

His death was not unexpected as he had been failing for more than a year.

He served two terms as State Treasurer, and was also the treasurer of nearly every secret society in the State. He was also for some time cashier of the Bullion Bank, and President of the Gas Company.

In all these positions of trust there was never any shortage.

He resided for thirty years in this city. He was 74 years of age, and a native of Switzerland.

His body will be brought to this city for interment, the funeral being Friday or Saturday, under the auspices of the Knights Templar.

Killed in a Slide.

On the 24th inst. a man named Leonard, was killed in a snowslide in Alpine county near the Bemis Mill. He was a wood chopper. Several were caught in the slide and escaped.

One who was badly injured walked one and half miles to a neighbor's house. The cabin they were in was demolished.

A new line of boys' knee pants and blouses received at the Emporium. f21w

AFTERNOON SESSION.

A. B. 34, was thoroughly discussed pro and con. After considerable wrangling upon amending it, adjourning, tabling the bill etc., etc., the bill passed by a vote of 23 to 15. Those opposing its passage were the same as those who voted in the A. M. that the bill be referred to a Committee, with the exception of McKay, and with the additional support of Tremby, Hughes and Peterson. The Grippe at Pioche.

This disease appeared here in its worst form on Wednesday last, and since that time fully 50 persons about town have been afflicted with and are now suffering from it. Dr. Louder is on the jump and has all he can possibly do attending to it, and says this is the true type of the disease, and that the so-called cases of it experienced here last winter were only bad colds. We hope no serious results will follow in any case.
